ANNUAL
REPORTS

We'll All Miss Harry Reed

Peterborough lost one of its most skilled and resourceful citizens with the death of Public Works Supt. Harry Reed. To us he was a friend, a critic, and a reliable source of information on town affairs.

Although Harry was here only three years, he had earned a position of leadership and dependability in community life that few men ever have achieved.

Harry's role at the Town House was more than his title implied. He was in effect the "Town Manager", or as some would say, a selectman "without portfolio". Hardly a day went by that the Town Fathers, the planning board, school office, or some other agency did not call upon his experience and wisdom in resolving their problems.

Harry Reed came to Peterborough at a time of turmoil. He was employed to take over a seriously disorganized and controversial situation in town operations, and in a relatively short time he had the town office and public works functioning with exceptional efficiency.

He was a good organizer, and he knew what he was talking about.

The specifications for Harry's position, as we remember them, were for a man who could "go down in the hole", and also have executive ability. Harry Reed offered this unusual combination of talents, and as such he became almost "indispensable" to the selectmen.

Harry passed on at a time when it could be said his counsel was needed the most. But he left his "house in order", and whoever succeeds him will find town affairs are a going operation, well planned, well thought out, and fully accepted by the community. Harry's loyal and courageous service — his job was his life — has made Peterborough an even better place to live. Thank you, Mr. Reed.

TOWN WARRANT

THE STATE OF NEW HAMPSHIRE

To the inhabitants of the Town of Peterborough, in the County of Hillsborough, in said State qualified to vote in Town Affairs:

You are hereby notified to meet at the Town House in said Town on Tuesday, the ninth day of March next, at eight of the clock in the forenoon (Polls close at 6:00 P.M.). Business meeting to commence at 7:00 P.M. to act upon the following subjects:

Article 1. To choose all necessary Town Officers for the year ensuing.

Article 2. To raise and appropriate such sums of money as may be necessary for Town Officers Salaries, Expenses, Election and Registration, District Court, Town House, Police Department, Fire Department, Civil Defense, Care of Trees, Cemeteries, Health Department, Sanitation, Vital Statistics, Operation of Highway Department, Street Lighting, Welfare Department, Memorial Day, Recreation Department, Putnam Park, Town Library, Town Water Charge, Legal Expense, Town Planning, and for any other charge arising within the Town.

Article 3. To see if the Town will vote to raise and appropriate for paying the Town debt and interest, the sums of Nineteen Thousand Fifty Dollars (\$19,050.00) for the Space Committee loan, Ten Thousand One Hundred Twenty Eight Dollars (\$10,128.00) for the dump site purchase and Three Hundred Seventy One Thousand One Hundred Fifty Dollars (\$371,150.00) for repayment of sewer bonds, or to take any other action relating thereto.

Article 4. To hear the reports of Agents, Auditors and Committees or Officers heretofore chosen, and to pass and vote relating thereto.

Article 5. To see if the Town will vote to accept legacies and gifts to the Town in trust or otherwise by any individual or individuals, or take any other action relating thereto.

Article 6. To see what sum of money the Town will vote to authorize the Selectmen and the Town Treasurer to borrow in anticipation of collection of taxes for the current Municipal Year, and to issue in the name and on the credit of the Town, negotiable notes therefor, said notes to be paid in the current Municipal Year from taxes collected during the current Municipal Year, and to raise and appropriate the sum of Eighteen Thousand Dollars (\$18,000.00) to cover the interest on the notes, or take any other action relating thereto.

Article 7. To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000.00) to replace both worn out furnaces in the Town House, or take any other action relating thereto.

Article 8. To see if the Town will vote to raise and appropriate the sum of One Thousand Six Hundred Sixty Nine Dollars and Seventeen Cents (\$1,669.17) provided the state gives Eleven Thousand One Hundred Twenty Seven Dollars and Eighty Two Cents (\$11,127.82) for the construction of Class IV and V Highways, or take any other action relating thereto.

Article 9. To see if the Town will vote to authorize the Selectmen to borrow a sum not to exceed Fifteen Thousand Dollars (\$15,000.00) upon such terms as they can arrange, to be used to remodel the former highway garage into a fire station, or take any other action relating thereto.

Article 10. To see if the Town will vote to raise and appropriate the sum of Fifteen Thousand Dollars (\$15,000.00) to rebuild and pave a section of Summer Street torn up by the water and sewer construction, or take any other action relating thereto.

Article 11. To see if the Town will vote to raise and appropriate the sum of Fifteen Hundred Dollars (\$1,500.-00) to construct a salt storage shed at the Evans Flat Public Works Garage site, or take any other action relating thereto.

Article 12. To see if the Town will vote to set the hours of use at the Peterborough Sanitary Landfill Area to include usage on Sundays.

Article 13. To see if the Town will vote to authorize the Selectmen to close without notice the Sanitary Landfill area on any Sunday that an operator is not available, or take any other action relating thereto.

Article 14. To see if the Town will vote to raise and appropriate the sum of Four Thousand Four Hundred Twenty Five Dollars (\$4,425.00) to operate the Sanitary Landfill on Sundays, or take any other action relating thereto.

Article 15. To see if the Town will vote to discontinue the following roads as open highways and make them subject to gates and bars:

Clubby Scott Road — from Middle Hancock Road to Windy Row.

Crosby Road — from the Fairfield Raymond residence to Rt. 136 near the Courser residence.

Burke Road — from the former Tom Burke residence to the Greenfield Town Line.

Cornish Road — from the Grip residence to the Old Jaffrey Road at the Kereazis residence.

Alexander Road — from Summer Street to the Con-toocook River.

Scott-Mitchell Road — from a point 6/10 of a mile easterly of Route 202 to the Hancock Town Line.

Four Winds Road — from the Kenney residence to the Dublin Town Line.

Holt Road — from the O'Keefe residence to Russ residence.

And also to vote to close the Holt Road from the intersection with Brantwood Road to a point beyond the Pirovano residence where the new section of Holt Road intercepts the old road and revert ownership to the abutter.

Article 16. To see if the Town will vote to accept a realignment of Holt Road at the Pirovano property, and also Nichols Lane, Keenan Drive, Nichols Road, Tarbell Road, Glen Drive, Highland Dr., or take any other action relating thereto.

Article 17. To see if the Town will vote to raise and appropriate the following sums for new equipment for the Public Works Dept., or take any other action relating thereto:

Landfill machine	\$28,000.00
Mobile radios (4)	3,200.00
two trucks with plows	22,000.00

Article 18. To see if the Town will vote to raise and appropriate the sum of Twelve Hundred Dollars (\$1,200.-00) to purchase a Speed Radar Machine through the State of New Hampshire, provided that fifty percent of that sum be returned to the Town from matching funds obtained through the New Hampshire Highway Safety Program, or take any other action relating thereto.

Article 19. To see if the Town will vote to raise and appropriate the sum of One Thousand Nine Hundred Seventy Five Dollars (\$1,975.00) to trade the 1969 Chevrolet police cruiser for a 1971 model, or take any other action relating thereto.

Article 20. To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500.00) as its one quarter payment to purchase two radios to be used in the Hillsborough County Police Network under New Hampshire Highway Safety Act, provided the sum of Fifteen Hundred Dollars (\$1,500.00) is obtained from the State of New Hampshire, or take any other action relating thereto.

Article 21. To see if the Town will vote to authorize the Planning Board to require developers to pave all new streets and install asphalt curbs, or take any other action relating thereto.

Article 22. To see if the Town will vote to adopt the provisions of a State Fire Code upon adoption of said code as presented to the Legislature at this biennium, or take any other action relating thereto.

Article 23. To see if the Town will raise and appropriate the sum of Five Thousand Dollars (\$5,000.00) for the Capital Reserve Fund for the general purposes of the Recreation Department, or take any other action relating thereto.

Article 24. To see if the Town will vote to transfer and use the sum of Two Thousand Dollars (\$2,000.00) from the income of the Albert W. Noone Trust Fund for the use of the Recreation Department for capital improvements at the Adams Playground and Pool, or take any other action relating thereto.

Article 25. To see if the Town will vote to remove the stipulation that the use of the Fire Station on Main Street be reserved for Recreation purposes, or take any other action relating thereto.

Article 26. To see if the Town will vote to raise and appropriate the sum of Two Thousand Six Hundred Thirty Eight Dollars (\$2,638.00) to support the services of the Monadnock Community Visiting Nurse Association, Inc., or take any other action relating thereto.

Article 27. To see if the Town will raise and appropriate the sum of Two Thousand Four Hundred Eighty Dollars (\$2,480.00) for the Monadnock Region Association.

Article 28. To see if the Town will vote to raise and appropriate the sum of One Thousand One Hundred Forty Two Dollars (\$1,142.00) for the use of the Monadnock Family and Mental Health Service, or take any other action relating thereto.

Article 29. To see if the Town will vote to raise and appropriate the sum of One Hundred Fifty Dollars (\$150.00) for the purposes of Pine Blister Rust Control, or take any other action relating thereto.

Article 30. To see if the Town will vote to re-convey to Milton F. Burke certain land that he conveyed to the Town for a sewer easement, or take any other action relating thereto.

Article 31. To see if the Town will authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Tax Collector's Deed, or take any other action relating thereto.

Article 32. To transact any other business that may legally come before this meeting.

Given under our hands and seal this Twenty Second day of February, in the year of our Lord Nineteen Hundred Seventy One.

12/14/70

SELECTMEN'S REPORT

This past year has been an eventful one in more ways than one. In April we were greatly saddened by the sudden passing of our "strong right arm", Harry Reed, Peterborough's first Superintendent of Public Works. There isn't sufficient room in this report to detail all that he did for "Our Town", suffice to say that it was beyond the call of duty. Harry was a true public servant. He had things so well organized that the everyday routine in the various departments that he was responsible for continued in normal fashion after his demise. We met constantly with the ladies in the Town Office, and with the Public Works Foremen, Joe Hanson and David Boutwell, to insure the continued operation of Town business. Everyone concerned carried on in "Bristol fashion" and we managed to come away from it all with very few scars.

We received 30 some odd applications for the Superintendent's job, and after interviewing nine finalists, we narrowed the field down to three. With the help of our advisory committee consisting of John Clements, Richard Fernald and Edward Hamblin, we finally selected John Isham, who at the time was Superintendent of Public Works in Derry, New Hampshire.

The partial destruction of Peterborough Consolidated School was a disaster for the Town. In view of this, the budget this year has been kept at the absolute minimum that we feel is safe for the proper operation of the Town.

Understanding the details of taxes and borrowing for the purpose of running a town is not especially easy, but the jump from a $2\frac{1}{2}\%$ to a 5.5% interest rate on borrowed money is pretty straight forward. Borrowing comes sooner each year, but is necessary in order that the Town can meet its obligations.

It is no surprise that as a Town grows and expands, so also does the budget it must appropriate to operate on. As people intensify the demands for new services, upgrading of existing services, more this and that, etc., etc., in the various areas of Town government, they must expect the costs to increase. Although it affects all of us this is one of the prices of our present day life. The phrase "you can't have your cake and eat it too" seems to fit well in this area. You can't expect to cut the budget or keep it at a "status quo" and on the other hand expect to have everything done that is asked to be done. The "penny wise" philosophy of past years to keep the tax rate down

is catching up to us too fast. Aged equipment is beyond repair (some being held together by rubber bands and paper clips).

Roads are deteriorating because of the inability to maintain them as they should be. A capable and competent work force in our Highway and Police Departments is an absolute must — and we could go on and on. So, decide how you want your cake.

It seems appropriate at this time to mention the sewer construction. That's all we're going to do — mention it. It would take too many pages to issue a detailed report, and besides, everyone knows the work is being done.

In closing we wish to thank all those citizens of the Town who assisted us this year with their advice and counsel, and to all the faithful and hard working Town employees a hearty "well done" for what at times, we're sure, seemed like a thankless job but nevertheless an important one.

Respectfully submitted,

Frederick P. Smith

Edward J. Lobacki

Chester F. Dutton

Selectmen

REPORT OF SUPERINTENDENT OF PUBLIC WORKS RELATIVE TO ADMINISTRATION

Highway Dept.	Trees
Water Dept.	Park
Sewer Dept.	Cemeteries

To the Board of Selectmen

Gentlemen:

On July 27, 1970 I was engaged by the Board of Selectmen to assume the supervision of the above noted departments succeeding the late Supt. Harry H. Reed, Jr.

I must take this time to point out that my position was made easier due to the excellent ground work established by Mr. Reed.

ADMINISTRATION

Stepping into a new system in mid-year is difficult at best and I have sincere appreciation for the girls in the office, Mrs. Turner, Mrs. Spiller and Miss Baldwin for their great cooperation in making the change-over possible.

The purchase order system set up by Mr. Reed is progressing nicely although some department heads still have reservations. Purchasing is now established so that the Town can be sure of getting the most for its money.

TOWN HOUSE

The exterior of the Town House has been spruced up with a new coat of paint and other necessary repairs.

The interior of the building has been completely renovated to provide much needed office space, new court room and meeting room.

HIGHWAY DEPARTMENT

Continuing maintenance of highway equipment on a planned program has kept the rolling stock operable for another year but I must point out that this equipment is getting old and should be replaced on a pre-determined schedule. I will be working to this end during the coming year.

The up-grading of the pay scales during the past year has resulted in our being able to hire the necessary personnel to operate in an efficient manner. At this time we are only one man short of filling a crew and I hope to resolve this problem while maintaining our present work force.

Maintenance work is our biggest headache as each year we add more miles of road to our system. I have presented to the Planning Board a complete sub-division specification that, if adopted, will postpone the need for maintenance of new roads for several years.

I firmly believe that the developer, who is the only one making the profit, should not be allowed to burden the taxpayer with a sub-division that requires large expenditures for maintenance immediately upon acceptance.

Drainage improvements were made on Old Street Rd., Summer St., MacDowell Rd., Lounsbury Lane, and Field Rd.

An extensive TRA project on Old Street Road was completed just ahead of freeze-up. This project eliminated a blind spot at the intersection of Cheney Avenue.

SURFACE TREATMENT

The surface treatment program was seriously hampered by a lack of time and a shortage of road oil in sufficient quantities to operate effectively.

Penetrations were done on Scott-Mitchell Road, PIDC Development, and Highland Glen Development.

Seal coats were applied to the above streets in addition to Hunt Road, Mountain Road, Noone, Goyette, Webb and Maple Streets and a tack coat applied to the sidewalk along Rt. 202.

Miscellaneous other time consuming projects including ditching and brush cutting filled out the year.

I hope in the future to institute an overlay pavement program on some of the better drained streets that will give the motorist a smooth pavement. This initial investment is somewhat higher but is more than compensated for by elimination of three or more surface treatments over the life span of this type of surface.

WATER DEPARTMENT

The water department is in excellent shape thanks to the experience and efforts of Mr. Reed. A continuing plan of preventive maintenance will insure the good condition of the system.

The department lowered water mains on Rt. 202 and Old Street Road in conjunction with road construction in these areas. A new water main was installed on Summer Street.

SEWER DEPARTMENT

The sewer department has been established and is ready to operate as soon as the new construction is ready.

The construction program is finally off the ground

as you can tell. The town looks as though a bomb has hit it and will be worse before it is better. The word for the duration is "patience" and things will return to normal in due time.

SANITARY LANDFILL

The conversion from the old burning dump to the new landfill operation was made on August 17 and the townspeople have settled into the new routine very well. The cost of operation of course is much higher than the old method but we would have been forced into it soon by state law.

The Selectmen and townspeople are to be commended for their initiative in making the conversion.

It is my opinion that a regional set up for waste disposal is the only economical method to keep the cost down. The town could, at no extra expense, service two other small towns and receive a substantial payment towards operating expenses.

TREES

The tree program was carried out with dead and unsafe trees being removed from Four Winds Road, Union St., Pine St., Cheney Ave., Vale St., May St., Sharon Road, High St., and Summer St.

PARKS

Under the direction of the Putnam Park Committee I have caused the Park to be maintained. Several accounts of vandalism have occurred including throwing the benches into the river and breaking into the tool shed and using it for toilet facilities. The tool shed has been since removed.

CEMETERIES

Under the direction of the Cemetery Trustees I have caused the cemeteries to be maintained and improved. This section operated in the red this year and will require a small appropriation in the coming year to remain sound.

TOWN GARAGE

The new town garage on Evans Flat has been completed and the public Works Department has moved into the new quarters. The increased space has greatly improved our maintenance and storage capabilities. Our immediate needs at the new site are for a perimeter fence and a salt storage shed.

In conclusion, I wish to express my appreciation to the Board of Selectmen, Town Foremen and employees

and citizens for their cooperation and support. I look forward to the coming year to be able to better serve the community.

John N. Isham
Supt. of Public Works

REPORT OF BUILDING INSPECTOR

Continued rapid growth was evidenced in 1970 as this office issued 72 building permits covering 55 residential units.

The breakdown is as follows:

	No.	Dwelling Units	Valuation
Single family homes	35	35	\$952,590 00
Multi family houses	2	20	174,000 00
Commercial buildings	1		10,500 00
Residential renovations	32		141,360 00
Miscellaneous	2		3,500 00
			<hr/> \$1,281,950 00

The Town should consider employing a full time building inspector-health officer who would be responsible for inspecting all construction. He also would be required to inspect septic tanks and leach fields as well as sewer lines from the house to mains.

Also of prime importance is the enactment of a building code of specifications for construction, electrical and plumbing. The average person purchasing a house has no idea of poor materials or construction and it is up to the town to protect their investment by use of a good set of specifications and continuous inspections.

Respectfully submitted,
John N. Isham
Building Inspector

BUDGET COMMITTEE REPORT

Your Budget Committee, having met and considered the various budgets, again must bring to the attention of the voters the fact that Town expenditures will be substantially increased due in large part to demands for added service as well as inflation.

Your Budget Committee has expended in excess of 500 hours reviewing these budgets and making recommendations to the various department heads.

We are recommending substantial cuts in several budgets and are asking the support of the voters to refuse to spend many thousands of dollars in special articles. The final choice, is, of course, in the hands of the voters at the Annual Town Meeting, but unless caution is exercised taxes will be drastically increased.

James R. Lawn, Chairman
George Walsh, Clerk
Mrs. Mary Emery
Aime Proulx
Roger Sullivan

PETERBOROUGH TOWN LIBRARY REPORT, 1970

"Our Town" officials are responsible for essential government services such as the protection of property and the maintenance of roads. But they are also working toward a pleasant community environment in providing the broadest services such as the library, parks, and recreational programs.

Your library is an educational institution to be used by persons of all ages for continuous intellectual growth and cultural development.

How much do you really know about your Town Library? Do you take full advantage of its many valuable services?

In addition to books — the "staple" of any library — we have newspapers; circulating materials such as magazines, recordings for every taste, handsome art reproductions from the classic to the abstract, pamphlets, large-print books, and 16 mm. color films. Our reference services include telephone, industrial and newspaper directories. We have a complete set of the New Hampshire Laws Annotated. For the small business man and individual, we have detailed tax guides. Through State Aid, we were given a photo copying machine, another service for patrons. Programs include story-time for children, Summer Readers Club, Family Film Programs, and visits to the Scott-Farrar Home. The library hall can be rented by civic, religious and cultural groups for a small fee.

An increase of about 15% in circulation figures shows the growth in the use of our circulating materials. The number of telephone inquiries, reference questions and assistance to readers rises steadily.

In 1970, Mrs. Elinor C. Blodgett retired as library trustee after serving 10 years on the Library Board. Her dedicated stewardship and positive approach to the library's role in the community has been reflected in many new and progressive policies from which the town has benefited.

Mr. Gordon Hale was elected at Town Meeting to fill the vacancy left by Mrs. Blodgett and brings to the Board a strong background in finance and building programs. He is, as well, the head of a family of active library-users.

Because we have continued vigorously to fill our role as a Service Center in the Statewide Library Development Program, we became eligible for state aid funds. These have been used to broaden and strengthen our reference collection and for the purchase of a number of art reproductions from Gaylord Brothers, Inc.

Story-time continued to grow in popularity with Mrs. Frances Russ coordinating the program with Miss Betsy Eaton, a new staff member replacing Mrs. Jody Franklin who resigned last summer. Miss Eaton is also in charge of Inter-library loan as well as the Scott-Farrar film showings.

The re-cataloging of the library is progressing at a rapid pace under the supervision of Mrs. Eunice Safford working with Mrs. Russ, Mrs. Helen Richardson and Mrs. Vivien Whitney. Mrs. Gloria Murray is now in charge of supplies and overdues, with all staff members handling the desk and reference work.

Strong national interest in ecology motivated our theme for the summer reading program. Seventy-seven children participated and read 959 books. The eight-week long summer readers' club focused around a free-hand drawing of the Nubanusit and Contoocook Rivers. This was drawn by Miss Karen Clement and Mrs. Nancy Pier, summer staff members. Pinned to the drawing were countless pieces of trash which were removed by Reading Club members for each book read; miniature tents and pictures of animals and shrubs native to New Hampshire were then placed along the banks of the clean rivers. A grand party on August 18 featured special guest Mr. Philip Heald, member of the Society for the Protection of New Hampshire Forests, as speaker. Mrs. Martha Combs, Mrs. Debbie Whitcomb, Mrs. Judy Makechnie and Mrs. Arvilla Chapman supplied the refreshments after Reading Certificates were awarded to all members of the club. Pictures were taken of the affair by the TRANSCRIPT and the LEDGER and appeared in subsequent issues of the two papers.

National Library Week and Children's Book Week were celebrated with topical displays and visits to the library by many school classes. The school officials and teachers have been most cooperative and their interest in the library and its children's services is gratefully acknowledged.

The New Hampshire Statewide Library Development program took another strong step forward in implementing the Statewide Library Card in August 1970. This card gives the holder borrowing privileges throughout the state. A poster showing the Peterborough Town Library is one of the more than 200 libraries honoring the card is displayed in the library. Both poster and card were designed by Miss Nora S. Unwin. Governor and Mrs. Walter Peterson were the first patrons to receive cards issued at the Town Library.

Among the many discussions held during the twelve Board meetings of 1970, serious thought was given to the perennial problem of over-dues, a problem all libraries have. After a thorough evaluation of procedures, the Library Board unanimously voted to invoke the New Hampshire law covering Offenses against Libraries, N. H. Rev. Statutes Annotated, 572:42-a and 572:42-b. Those patrons holding library materials after having been notified by telephone or post card, receipt of a bill and then by certified mail will have civil action taken against them and the suspension of library privileges until materials are returned and fines paid.

Another Board study was made of staff duties and schedules. A plan was developed for more efficient, comprehensive and economical operation to cover the growth of services and projects.

A service newly begun in December 1970 was made possible through the help of the Interact Club. Under the aegis of Peterborough Rotary Club Director Dr. John Combs, Interact is helping the library reach out to provide library service to shut-ins in nursing and retirement homes. Other shut-ins who would like library service are requested to contact the librarian who will direct Interact to call on them. The members of this committee are a group of concerned students from Con-Val who are actively involved in community service. These young people are to be commended for their interest.

The librarian was in attendance at all area, state and regional library meetings held by the Southwest District Advisory Council, N. H. Library Association, and the New England Library Association. She was appointed vice-chairman of the Southwest District Advisory Council. Special talks were given by the librarian before groups in town and elsewhere.

The staff participated in reference workshops as well as in periodical staff meetings where public relations and staff work was discussed.

Our special thanks to the local newspapers and to radio station WSCV for the public service generously given in the coverage of library news and announcements.

We appreciate the generosity of the business community for the useful gifts to our patrons: practical yet pretty plastic "tote" book bags from the First National Bank of Peterborough; "The Story of the Peterborough Town Library", courtesy of the Peterborough Savings Bank, which has been sent to Warsaw and England as well as to many places in this country; colorful bookmarks from the Bellows-Nichols Agency, as well as the seasonal flower boxes filled by the Garden Club.

To those thoughtful patrons for their gifts of good books and occasional checks with which to buy more; to those who participated in our programs and offered helpful criticism; to the library staff for their performance of library duties with graciousness and selflessness; to the Library Board whose vision and understanding of the future of the library and its role in the community has been a source of inspiration and strength, and to you, the townspeople, who support with use and taxes this fine and proud institution of learning, I thank you.

AUDITORS' CERTIFICATE

We have examined the accounts of the Town Officers, Committees and others having charge of moneys for the year ending December 31, 1970 as required by law and find them correctly cast and properly vouched.

Ervin F. Diamond
Francis E. Nolan
Robert Nielsen

Board of Selectmen
Town of Peterborough
Peterborough, New Hampshire

Gentlemen:

We have examined the Balance Sheets of the Town of Peterborough as of December 31, 1970 and the related Statements of Revenue and Expenses for the year then ended. Our examination was made in accordance with generally accepted auditing standards and accordingly included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances. We did not examine the Trust Funds which were examined and reported on by the Town's Auditors.

In our opinion, the accompanying Balance Sheets and related Statements of Revenue and Expenses present fairly the financial position of the Town of Peterborough at December 31, 1970 and the results of operations for the year ended.

Respectfully submitted,

John E. Rich
John E. Rich & Company
Certified Public Accountants

REPORT OF POLICE DEPARTMENT

To the Honorable Board of Selectmen:

I herewith submit my annual report for the year ending December 31, 1970:

Statistics on Arrests

Cruiser trips to vacant homes	423
Doors found unlocked	613
Street lights reported out	119
Defective equipment tags issued	390
Emergency messages delivered	27
Parking tickets issued	417
Courtesy tags issued	76

Police Cruiser

The police cruisers traveled approximately 74,000 miles.

Conclusion

I wish to take this opportunity to express my thanks to the Board of Selectmen, members of the Police Department, members of the State Police, Judge Kenneth A. Brighton, Clerk of Court, Stella L. Sumner, Thelma Turner, Town Bookkeeper, Patricia Spiller, Merchants and Citizens of Peterborough for the cooperation given me in the performance of my duty as Chief of Police during the past year.

Respectfully submitted,

Arthur G. Jackson

Chief of Police

REPORT OF THE FIRE DEPARTMENT, 1970

We wish to take this opportunity to thank the citizens of Peterborough and the other town departments for the support and assistance that was provided for the fire department during 1970.

This has been a year of many fires with a major fire on Christmas day at the Consolidated School on High St. At this fire we received assistance from six other fire departments through the Mutual Aid system. These fire departments assisted us at their own expense as we do when we assist them in their community. We responded to 15 calls for assistance and received assistance on 5 occasions.

The fire calls for 1970 may be summarized as follows:

Building Fires	7
Grass and Brush	8
Automobile	10
False Alarms	0
Sprinkler Alarms	3
Mutual Aid	15
Miscellaneous Alarms	3

In addition to fighting fires we have continued our very active program of fire prevention with the schools in the town, both public and private.

One project that we were not able to complete was the conversion of the former highway garage into a fire station. The cost estimates exceeded the amount of money available but we are sure that the work can be completed in 1971.

Respectfully submitted,

Merton S. Dyer, Chief

David W. Crooker, 1st Deputy Chief

Lawrence C. Bishop, 2nd Deputy Chief

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

The 1970 forest fire season was a quiet one in this area, quiet in part because of your continued cooperation and favorable weather conditions.

Fires that did occur were, for the most part, caused by debris burning, children and smokers.

The elimination of these three causes of forest fires would drastically change this picture—to bring about this change we make the following suggestions:

1. When the ground is not covered with snow a permit to burn must be obtained from the Forest Fire Warden. This permit covers waste burning, even if in an incinerator, grass burning, as well as garden trash and brush burning, such burning is restricted by regulation prior to 9:00 A.M. and after 5:00 P.M. with the following exceptions:

Commercial or industrial burning is permissible at any time under normal conditions but only with the approval of the District Chief and a written permit from the Forest Fire Warden.

2. Fires caused by children can be prevented only with the complete cooperation of parents in the supervision of their children, keep matches out of reach of children, this action will help to prevent fires and may save a life, the life of your child. Try to explain this to your child, won't you?
3. Forest fires caused by smokers can be reduced in number by the exercise of more care in the discarding of matches and smoking material whether from a vehicle or by a hiker. In all cases, make sure that the butt or match you discard is out, dead out. Smokey says, "Thanks for you help", and invites you to join with him in setting a good example for others in the prevention of fires and the protection of our environment.

Number of fires reported and acres burned

State	484 fires	244 acres
District	84	43
Town	5	2

HEALTH DEPARTMENT REPORT

The following is my report as Health Officer for the year ending December 31, 1970.

I have investigated 473 complaints and inspected 219 septic systems. 34 inspections of stores and inns inspected with State. 18 Humane Society complaints investigated and 6 VD cases reported.

James Farrell
Health Officer

REPORT OF CIVIL DEFENSE

To: Board of Selectmen
Town of Peterborough, N. H.
Frederick Smith, Chairman

From: Carl W. Wood, Civil Defense Director

Subject: Report on Civil Defense activities for 1970

As required by the Board of Selectmen of the Town of Peterborough, I am pleased to submit the following report concerning activities of the Civil Defense organization, and its status for 1970.

Whereas we have not held monthly meetings as such, all of our Unit Officers have kept their units operational – as is required by the State of New Hampshire Civil Defense Headquarters; and they are ready for any emergency caused by a natural disaster or radioactive fallout situation resulting from nuclear explosion.

We were happy to have taken part in the awarding to Stella Sumner and Margery Wheeler certificates of merit, signed by Major General McSwiney, State Civil Defense Director, and presented by Deputy Director E. George Moses, and Radio Communication Officer Jules Deschenes of the State of New Hampshire Civil Defense Agency.

Our praise and thanks go to Mrs. Dorothy Wescott, our capable and dedicated administrative secretary, for her work in installing and maintaining a very efficient and speedy office filing system.

We have added several new personnel members to our organization: Gary Simonds, Supply Officer; Albert Schaal, Engineer; Harvey Chandler, Public Service; John B. Morgan, Communication Officer; Catherine Eckfeldt, Assistant Secretary; and Malcolm Tobey, WSCV.

Our warning officers answered six CHECKER BOARD ALERTS, which were instigated at the State Civil Defense Agency as part of Communication Civil Defense training for “on-the-job” preparedness. On receipt of these alerts our Warning Officer immediately alerts the Civil Defense Director and proceeds to fan out to twelve of our surrounding towns, by phone.

Our Communication officers have checked in on ROLL CALL every Tuesday night at 1900-2000 hours. This is a must “on-the-job” drill to test our communication capability.

In cooperation with the Army Corps of Engineers, a shelter survey was made of the Conval School, Peterborough Savings Bank, Public Library, Post Office Building, and the Episcopal Church. With our already established shelters – New Hampshire Ball Bearing, Guernsey Association, New England Telephone, Monadnock Community

Hospital, and the Historical Building — about 85% of our town's population will have shelter protection. This includes all houses that have been surveyed.

In March of this year, we supplied shelter to a family whose house on Summer Street was flooded as a result of a bad flooding situation on the Contoocook River at the North Dam.

A Radiological Course was given to our Rescue Unit by Brother Morris Mansfield of our staff. And a Medical Self-Help Course was given to members of our organization by Roger Packard of the American Red Cross.

It is quite evident from the foregoing that Peterborough's Civil Defense Organization has been active.

In closing this report, I wish to express my appreciation and thanks to all our dedicated personnel for the time they have given to help make our organization one of the best in the State.

Respectfully submitted,

Carl W. Wood

Director of Civil Defense

REPORT OF THE CONSERVATION COMMISSION

The Peterborough Conservation Commission controls 75 acres in the so-called "Swamp Woods" area in northwest Peterborough, and is now authorized by the Selectmen to control a strip of land along the Contoocook River at the landfill site. This strip is 100 feet wide and comprises somewhat more than a mile of river frontage. Through an article in this year's town warrant the town is asked to approve this transaction.

The plan of the commission will be to maintain and develop this land for its natural and best uses as a park and recreation area. While the land cannot be opened to approach for vehicles until such time as the landfill operations are completed, the commission will create (and it is hoped with the help and cooperation of interested groups) a suitable path along the river as well as picnic areas and perhaps boating and canoeing facilities.

Because the commission has long been mindful of the banks of the Contoocook as potential scenic assets (a far cry from their present appearance), it is especially grateful to the wisdom and foresight of the selectmen and Mr. John Isham, Peterborough General Superintendent, in releasing this beautiful frontage for the enjoyment of Peterborough citizens.

As this report is written, the commission is negotiating for the purchase of twenty acres adjoining the pres-

ent holdings. If this land is acquired, the commission's plan for a natural trail from the Hancock line to the Conval property will be more nearly realized. As planned, the trail would lead to that portion of the Conval lands already being developed as an outdoor classroom.

Mr. Fairfield Raymond, co-chairman of the commission, has developed on the map of Peterborough, a clear delineation of the town's wet land and open spaces, the areas of most concern in open space conservation.

Members of the commission have attended conservation meetings concerning flood plain, conservation and pollution problems, the annual meeting of all New Hampshire Conservation Commissions (at which meeting the federation of the commissions was established), as well as sessions of the New Hampshire Tomorrow program. The commission has been in frequent consultation with Mr. Leslie Clark and Mr. Paul Bofinger of The Society For The Protection Of New Hampshire Forests, and Mr. Floyd Barker of The New Hampshire Cooperative Extension Service.

The commission has held regular monthly meetings and invited to them as often as possible those who might best advise on matters of land use and provide meaningful discussion of the commission's activities in relation to the town's planning.

Mr. Joseph Quinn of the Department of Resources and Economic Development, Mr. John Isham, Peterborough Public Works Superintendent, Mr. George Walsh, Executive Vice President of PIDC, and Mr. Richard Fernald, Chairman of The Peterborough Planning Board have attended commission meetings.

Herewith the commission's financial statement as of December 31, 1970.

Carried from 1969 appropriation and revenue	\$1,463 50
Revenue from 1970	535 00
Appropriation 1970	1,000 00
Less Expenditure 1970	-131 37
	<hr/>
Balance to carry forward to 1971	\$2,867 13

RECREATION COMMITTEE REPORT, 1970

Recreation has continued to flourish during 1970. Your committee is most happy to report that the past year was another in a succession of successful years since our full time program was instituted four years ago.

The number of seasonal activities has steadily increased during this time with new programs added whenever sufficient interest, manpower, money and available facilities allowed. We feel confident that this trend will continue in the future although it is oft-times difficult scheduling a varied program with limited indoor facilities.

More often than not, the scheduling of a new activity is a hit and miss proposition. It is extremely difficult to determine the amount of interest for a given program without feedback from the public. For this reason we invite, in fact encourage, suggestions for new programs from you, the participants in our activities.

The fall and winter calendar of activities for the past year included junior soccer, tap and ballet instruction, pee wee basketball, mens' and womens' physical fitness classes, Halloween window painting, Halloween parade and party, hunter safety instruction, teen dances, and a community Christmas Carol Sing.

Offered under Recreation Department auspices for the first time was a rug braiding class, an expanded Judo-Karate program, adult archery instruction, and the Children's Community Christmas party.

As a service to the community, the Department conducted trips to the New England Spring Garden and Flower Show, twice to view the Red Sox in action, once to a Celtic game, and one trip to the Ice Follies. Special children's journeys were taken to the Circus at Boston Garden and a combined field trip to the Children's Museum and Franklin Park Zoo in Boston.

The effect the opening of Conval was on attendance at the Teen Center in the Town House appears to be slight. A much more significant factor is that the upper hall is not conducive to attracting the young people into using the facility. Our conviction that the present fire station would be a partial answer to our space needs has been reaffirmed during the past year. Therefore, we have asked for funding in a special article for renovations and equipping that facility when it becomes available this year.

Your Recreation Committee strongly feels that they have made the space problem vividly clear in the past and that a strong needs exists for this facility. We feel we have an obligation to the total recreation program and to our constituents to present this for definite action this year.

The skating program took a definite step forward with the establishment of a new area and a slightly different approach to the ice making process. These two factors have created good skating conditions once again, this being one aspect of our total program that has left a lot to be desired during the past few years.

Highlighting a most active summer schedule of activities were two individual performances of excellence. Given the opportunity through Recreation Department co-sponsorship with two national business firms, these two young people demonstrated their physical skills and represented "Our Town" on the regional and national level.

Miss Elaine Sisson entered the local Hula Hoop contest for the second year in a row, and her achievements carried her through local, state and regional championships. These feats earned Elaine an all expense paid trip to Hollywood, California where she competed in the national finals. Although Elaine did not bring a national championship to Peterborough, we are all proud of her accomplishments and we can fully appreciate the hours of effort and practice that went into her winning routine.

Equally outstanding were the accomplishments of Jeff Peters who entered the first national Pitch, Hit and Throw competition and, he too, advanced to the regionals at Fenway Park in Boston. Although Jeff won in Boston, his point total was not high enough to advance him to the national finals.

The excellent performances by these two young people point most accurately to the philosophy that the Recreation Committee has embraced in developing a total program of activities for "Our Town". That is, a program for all ages that presents them with the opportunity for both individual and collective achievement, enjoyment and relaxation.

Two new activities that received an excellent response, were a ladies' softball team that played games against teams from other communities and a high school aged summer basketball league for boys in the Conval district.

Both of these involved age groups that are not normally served through our normal range of summer activities and they were welcome additions to an already bustling program.

Another fine summer was experienced by the vast numbers that took part in the playground, pool and baseball programs.

The baseball program continues to serve a large segment of the younger male population with upwards of 175 boys participating on twelve teams. This program encompasses boys from 6 to 17 years of age.

The playground program offered activities that included badminton, checkers, chess, scoop lacrosse, box hockey, story telling, volleyball, cookouts, bike hikes, low organized games, softball, horseshoes, parachute games, drama, field hockey and a variety of other activities that presented stimulating fun for the participants.

Jane Anderson and Wendy Peters each presented outstanding programs in arts and crafts and tennis too, once again, add immensely to the overall summer program.

The pool experienced another season of heavy traffic which kept the staff extremely busy all summer long. A fine program of lessons for beginners through senior lifesaving and recreational swimming continue to be the mainstay of the pool program.

Under the guidance of new coach, Pat Bailey, the swim team experienced its most successful season in years. Starting virtually from scratch, Pat built the team up both in numbers and in enthusiasm. Her inspiration and keen leadership developed, in a short span of time, unity and competitive spirit in the thirty-five active members of the team, many of which were swimming competitively for the first time.

The team represented themselves and their Town well in each meet and took second place in three large multi-team meets.

The swim season came to an end with the Major A. Erland Goyette competition which determined the outstanding girl and boy swimmers of the year to be Anne Whitney and Evan Bishop.

Capital improvements completed this year included new doors on all the playground buildings and bathhouse, repairs to the girls' dressing room, the installation of two

windows which replaced wooden shutters in the crafts building, construction and equipment for the new skating area, and the beginning of a land fill program which will, when completed, double the amount of space on the south side of Adams Playground.

Peterborough's expressed needs, which we are taking into consideration in our long range planning include:

1. Reconstruction of the tennis courts.
2. Possible location of existing and construction of additional ball fields. Construction of new fields hinges on the completion of the land fill program mentioned previously.
3. A facility to house our current, varied recreation program. Such a building would facilitate the expansion of new programs and could serve as a meeting place for all kinds of recreation related activities.

In closing this report, we must pay tribute to and express our deepest appreciation to our most capable staff, the Board of Selectmen, the School Department, the Police Department, the Fire Department and to the countless organizations and individuals who so generously gave of their time and assistance during the year. Without this vast assortment of assistance, which continues to increase each year, the Recreation Committee and the Recreation Department would be unable to adequately fulfill its responsibilities.

We are indeed indebted to all who offered support and encouragement during the past year.

Respectfully submitted,

Gordon Kemp, Chairman
Ruth Craig
Floyd Wakefield
Leroy Pettee
Joseph Russell

PLANNING BOARD REPORT

Since the 1970 Town Meeting, the Planning Board has held sixteen (16) meetings, conducted twenty-one (21) public hearings, approved fifteen (15) two lot sub-divisions, two seven lot sub-divisions (Harvey B. Moore, Old Greenfield Road and Robert C. Morris, Inc., Windy Row), one nine lot sub-division (Donald and Mary Graves, off Old Street Road), one twenty lot sub-division (Lifestyle, Inc., Burke Road) and one thirty-nine lot sub-division (Lloyd G. Reynolds, Inc., off of MacDowell Road).

The Board was able to convince the State Highway Department to construct, at State expense, a sidewalk on the Westerly side of Route #202 from Hunt Road northerly to the Contoocook Regional High School, as part of the State's Highway Improvement Project in that area. The Board, with the assistance of the Selectmen, has also obtained the promise of the State Highway Department to widen and improve Route #202 from the intersection of Sand Hill Road Northerly to Wilder Motors some time during the fiscal year commencing July 1, 1971.

Proposed amendments to the Land Sub-division Regulations are now being considered, a public hearing has been held, and final action will be taken after the Town Meeting. The Board is asking the Town to vote on the question of whether or not the developers should be required to pave all new streets with three inches of asphalt and install curbs. The Board feels that such requirements will insure maintenance free highways, provide better storm water drainage, and will produce more attractive sub-divisions. The Board also realizes that it will add approximately \$300 00 to the cost of the average building lot and it thus seeks Town Meeting approval before imposing these requirements on land developers.

The Town Ordinances concerning sub-divisions, zoning, off street parking, mobile homes, etc. need to be re-printed in booklet form and this will be immediately after the Town Meeting.

Richard R. Fernald,
Chairman

John A. Clements
Paul C. Cummings, Jr.
Donald E. Irwin
Richard C. Johnson
Socrates W. Kereazis
Edward J. Lobacki, ex-officio

PETERBOROUGH HYMN

A. D. 1620

God our Father!
 Glory Lord, to Thee!
Before whose voice
 Is mute the thund'ring sea!
Through wind and foam
 Thou lead'st us home—
To Thee be glory through eternity.

Lord, hunger and cold are nigh!
Lord, not for ourselves we cry—
Let not our children die!
Silence your loud alarms
God is our Shield from harms—
He will make strong our arms.
Christ, who hath calmed the wave,
Christ will uphold the brave.
Christ, our Saviour!
 Father of our Faith!
To Thee we bring faint hearts and failing breath,
 Be Thou our Guide!
 With Thee we bide,
To love, to labor, and to hope till death!

Accepted as a gift from Mrs. Edward MacDowell at the Town
Meeting of 1928

Music: "A. D. 1620" from *Sea Pieces* by MacDowell, 1898

Words: Written for the Peterborough Pageant of 1910 by
Hermann Hagedorn

FOREST, MOUNTAIN, COMRADE, PUERTO RICO, 1941
